

PROJECT ALERT

STARTING WEEK OF JULY 21

The Van Buren County Road Commission will be completing a project on Spring Haven Court in Antwerp Township. The project consists of a 2" asphalt overlay. Concrete driveway approaches will be removed and repoured to allow an improved transition to the new surface and asphalt driveways will be milled and repaved for a smooth transition to the new road surface. Please ensure sprinklers are not directed into the roadway to preserve the asphalt surface that will be laid. This project will be completed as weather allows and minor delays are possible.

Questions about this project may be directed to Dave Clift at 269-674-8011 ext. 230.

JUL 14 2025

ANTWERP TOWNSHIP

This project is funded by Antwerp Township. Michigan Paving and Materials Co. is the prime contractor completing the project.
